another neat product...

Note: Application, rates, optional riders and contract provisions may vary by state. Review the actual policy for complete details, exceptions and limitations. This brochure is for agent recruiting only.

Why Sell A Lump Sum Cash Benefit?

*** 66% of costs to fight Cancer are non-medical indirect costs, not covered by traditional insurance:**

- Up front cash to help replace loss of income.
- No hospitalization or treatment required to receive cash benefit.
- Use cash benefit for insurance or HMO shortfalls, experimental treatments or travel to the finest medical facilities.
- Supplements & pays in addition to all other insurance.
- Use the cash benefit for normal living expenses or any purpose you choose.
- No scheduled benefit limitations.
- Use cash benefit instead of liquidating assets.
- Keep the entire benefit amount even if treatment costs are minimal.
